B. Air Activities:

1. Soviet:

Air activity was somewhat intensified after about 10 December. There were local flights, apparently made by new pilots under the supervision of experienced personnel. At Justerbog, most new pilots were sub-lieutenants.

2. East German:

No jet aircraft were observed on the VdA airfields at Bautzen-Litten, Cottbus and Drewitz. Only YAK-18's and YAK-11's were employed there.
